PLEASE READ BEFORE SENDING IN YOUR APPLICATION

Though we plan to enjoy ourselves at this camp, the primary purpose will be to study the Bible and learn how to be active in local congregations. If you will enjoy days filled primarily with Bible study, singing and spiritual conversation, you will enjoy this camp. If you will not enjoy this, perhaps it would be best to consider a different camp. Of course, any disruptive behavior or lack of cooperation with teachers or counselors will result in immediate expulsion, but we don't expect this kind of problem. **We ask that no cell phones be used during camp except between 8:30 PM and 9:00 PM and that audio players, laptops, iPads, etc. be used only by permission of Scott Richardson or Leon Mauldin and then only for spiritual purposes. Permission will be required to leave the camp ground by car. Make sure all of these conditions are acceptable to you before signing this application and sending it in.**
